

## **CB001 – Community Service Policy**

Community is the heart of the town of Cabot, and likewise, its school. Requiring high schoolers to do work in service of their community not only strengthens that bond between town and school, but also offers students unique opportunities to develop vital life skills while providing help to people in need.

Therefore, it is the policy of the school board to require all students to engage in a minimum community service requirement. The amount of community service shall be set in consultation with the administration and student representatives and reviewed as needed.

Paid work and internships can satisfy this requirement at the discretion of the administration. Students who far exceed the required hours will be recognized on the student's transcript, as well as acknowledged at their high school graduation ceremony.

The Administration shall develop and maintain a system for supporting students in attaining community service hours as well as specifying the number of hours required for graduation.
